Annex to the letter dated 6 August 2018 from the Chargé d'affaires a.i. of the Permanent Mission of Ukraine to the United Nations addressed to the Secretary-General

Comment of the Ministry of Foreign Affairs of Ukraine on a visit of President of the Russian Federation Vladimir Putin to the temporarily occupied territory of Ukraine-Autonomous Republic of Crimea and the city of Sevastopol on 4 August 2018 that was not coordinated with Ukraine

The Ministry of Foreign Affairs of Ukraine expresses its protest against Russian President Vladimir Putin's visit on August 4 to the territory of Ukraine temporarily occupied by the Russian Federation, namely to the Autonomous Republic of Crimea and the city of Sevastopol, which has not been coordinated with Ukraine.

Ukraine considers this and other so-called "visits" by Russian officials to the temporarily occupied Autonomous Republic of Crimea and the city of Sevastopol, Ukraine as a flagrant violation of state sovereignty and territorial integrity of Ukraine, cynical and demonstrative neglect by the Russian Side of universally recognized norms and principles of the international law, obligations under bilateral and multilateral treaties to which the Russian Federation and Ukraine are parties, including the UN Charter, the UN General Assembly Resolutions A/RES/68/262 of 27 March 2014 "Territorial integrity of Ukraine", A/RES/71/205 of 19 December 2016 "Situation of human rights in the Autonomous Republic of Crimea and the city of Sevastopol (Ukraine)", A/RES/72/190 of 19 December 2017 "Situation of human rights in the Autonomous Republic of Crimea and the city of Sevastopol, Ukraine".

The Autonomous Republic of Crimea and the city of Sevastopol are integral part of the territory Ukraine in its internationally recognized borders. It is recognized by the whole international community, which repeatedly made its proper assessment of internationally illegal actions of the Russian Federation by adopting relevant resolutions of the UN, Council of Europe, OSCE and other international organizations as well as imposing sanctions against the occupying State.

Agenda item 44
Question of Cyprus

Security Council
Seventy-third year

Letter dated 7 August 2018 from the Chargé d'affaires a.i. of the Permanent Mission of Cyprus to the United Nations addressed to the Secretary-General

Upon instructions from my Government, I transmit herewith two documents detailing the infringements of international air traffic regulations and violations of the national airspace of the Republic of Cyprus by Turkey (see annex I) and the illegal use of closed ports by Turkish warships (see annex II) during the month of June 2018.

I also wish to inform you that the occupation regime illegally issued two notices to airmen relating to exercises conducted by the Turkish Air Force in June 2018.

It should be noted that Turkish commercial aircraft systematically use the illegal airport of Tympou. In addition, Turkey continues to systematically harass civilian and military aircraft within the Nicosia flight information region (FIR) via radio calls. Meanwhile, infringements of the Nicosia FIR and violations of the national airspace of the Republic of Cyprus continue unabated. Turkey's policy of persistently breaching international law and defying international rules and regulations puts the safety of international civil aviation at risk, has a negative impact on the stability of the region and causes difficulties for air traffic over Cyprus.

The above-mentioned actions of Turkey, which has illegally occupied the northern part of the Republic of Cyprus since 1974, are clearly aimed at undermining the sovereignty of the Republic of Cyprus, bolstering the continuing de facto division and upgrading the secessionist entity's status by claiming a purported airspace over the occupied territory of the Republic. In that respect, I would like to underline, once again, that there is only one legal authority in Cyprus, the Republic of Cyprus, as stipulated in various Security Council resolutions, in particular resolutions 541 (1983) and 550 (1984), in which the Council declared the establishment of the so-called "trnc" as null and void.

On behalf of my Government, I strongly protest the continuing infringements of international air traffic regulations and the violations of the national airspace and the territorial waters of the Republic of Cyprus by Turkey and appeal for their immediate cessation. The Republic of Cyprus reiterates, in this respect, its call for adherence to the principle of sovereignty and non-interference enshrined in the Charter of the United Nations.

Lastly, I would like to urge Turkey and the Turkish Cypriots to heed the calls of the international community and contribute to a meaningful resumption of the peace process, instead of focusing on undermining the sovereignty of the Republic of Cyprus, bolstering the continuing de facto division and upgrading the secessionist entity's status.

I should be grateful if you would have the present letter and its annexes circulated as a document of the General Assembly, under agenda item 44, and of the Security Council.
